

### **Camp LakePoint Safety Guidelines**

In accordance with Governor Kemp's May 28 Executive Order and after speaking with members from the governor's office, LakePoint Sports is excited to announce we are resuming limited camp activities starting June 22.

Providing a safe environment for campers, counselors and families on campus, as well as our team members and our local community, is the top priority for LakePoint Sports. It is important for all guests to know that our team went through a thoughtful and methodical process before resuming camp activities, which incorporates federal, state, and local guidelines.

While on campus, we encourage you to practice safe distancing and proper hygiene at all times. Safety guidelines are posted around the campus and at [LakePointSports.com/SafetyGuidelines](https://LakePointSports.com/SafetyGuidelines). Adherence to these guidelines is vital to maintaining a safe environment for everyone on our campus.

For additional details on the CDC health and safety guidelines, please visit [CDC.gov/coronavirus](https://CDC.gov/coronavirus)  
For additional details on health and safety guidelines for the State of Georgia, please visit [dph.georgia.gov/](https://dph.georgia.gov/)

#### **How LakePoint Sports is Providing a Safe Environment (Across Campus)**

1. Adhering to required and or recommended federal, state, and local safety guidelines
2. Limiting capacity for each week of camp for the safety of all guests and in accordance with federal and state guidelines
3. Requiring all parents to sign a waiver acknowledging that they have read and will adhere to the LakePoint Sports safety guidelines
4. Increased frequency of sanitation of high touched areas, bathrooms, etc.
5. Utilizing industry best ionized water cleaning system
6. Increased hand sanitizer locations located throughout the campus
7. Training of all LakePoint Sports and counselors team members and counselors on safety guidelines
8. Training of all LakePoint Sports team members and counselors on PPE usage
9. Wearing proper PPE by LakePoint Sports team members and counselors when interacting with campers
10. Daily screenings of LakePoint Sports team members and counselors for signs of illness before they begin work
11. Providing separate entrances and exits at the venue
12. Posted signs communicating all safety guidelines throughout campus
13. Providing safety guidelines online at [LakePointSports.com/SafetyGuidelines](https://LakePointSports.com/SafetyGuidelines)
14. Limited Food and Beverage service will be available with enhanced safety guidelines
15. No water cooler service provided
16. All water fountains will be deactivated
17. All transactions are cashless
18. Dedicated team members will be onsite to assist with any questions or needs

\*This specific list will be updated frequently as new information is available.

### Camp LakePoint Safety Guidelines (Cont.)

#### GENERAL

1. LakePoint Sports is reducing the capacity of all camps for the safety of all campers and guests.
2. Before participating in any event at LakePoint Sports, all parents must sign a waiver of understanding and agreement to adhere to all expectations set forth by LakePoint Sports.
3. All campers on campus should adhere to all CDC guidelines to practice proper hygiene
  - a) Wash your hands often with soap and warm water for at least 20 seconds.
  - b) If soap and warm water are not available, use an alcohol-based hand sanitizer.
  - c) Avoid touching your eyes, nose and mouth with unwashed hands.
  - d) Avoid close contact with others (e.g. no handshakes, fist bumps or high fives).
4. LakePoint Sports will be responsible for screening campers and counselors before each day of camp to determine if it is safe for the camper or counselor to attend camp.
  - a) We ask that all campers **stay home** if you are sick or not feeling well.
  - b) Health Screenings will include a health questionnaire for the parents and thermometer checks for the campers.
  - a) All parents, campers and counselors will adhere to the current LakePoint Sports safety guidelines for current health status. Campers and counselors will not be allowed to participate if you have any of the following:
    - i. Fever over 100.4 degrees Fahrenheit
    - ii. Cough
    - iii. Shortness of breath
    - iv. Difficulty breathing
    - v. Or have traveled to areas of known infection in the last 14 days and have not come in contact in the last 14 days with anyone showing symptoms.
    - vi. Or at least two of the following symptoms
      1. Chills, shaking with chills, muscle pain, headache, sore throat, and loss of taste or smell
5. Camp LakePoint Field trips are temporarily unavailable, due to guidelines and area attractions temporarily shut down.
  - a) LakePoint Sports will offer additional activities during normal field trip times.
6. One person or household in restrooms at a time.
7. Hand sanitizer stations will be available at each camp.
8. Increasing frequency of sanitation of high touched surfaces like tabletops, countertops seating area, etc.
9. All check-in and out procedures will be conducted by a drop-off/pick-up lane, with parents and other family members being asked to remain in the vehicle.
  - a) Check-in team members will wear face masks or facial coverings.
10. Utilizing contactless forms of check in and check out.
  - a) Parents must have drop-off/pick-up car tag clearly visible.

### **Camp LakePoint Safety Guidelines (Cont.)**

#### **CAMPERS AND PARENTS**

1. Campers will be split into small groups with one counselor.
  - a) Campers will remain with their group throughout the week.
2. Campers are required to bring their own lunches and snacks in individually sealed bags with their names written on their belongings.
3. Campers must bring their own water jugs to camp.
  - a) A counselor will assist refilling water if necessary.
4. Campers will have their own designated area for their personal belongings that will adhere to safe distancing guidelines.
  - a) All personal belongings must be labeled with the camper's name on it.
5. Each camper will be instructed to refrain from physical contact, including high fives, and fist bumps, and be asked to maintain safe distancing as much as possible.
6. Campers hands will be sanitized before they join their groups.
