

Futsal Camp Safety Guidelines

In accordance with Governor Kemp's April 30 Executive Order, LakePoint Sports is currently in Phase 3 of our reopening plan for events in the Champions Center.

During Phase 3 of reopening our campus, providing a safe environment for athletes, coaches, and families on campus and our team members and our local community remains the top priority for LakePoint Sports. It is important for all guests to know that our team went through a thoughtful and methodical process before moving into phase 3, including hundreds of safety guidelines and federal, state, and local requirements.

While on campus, we encourage you to continue practicing safe distancing and proper hygiene at all times. Safety guidelines are posted around the campus and at LakePointSports.com/SafetyGuidelines. Adherence to these guidelines is vital to maintaining a safe environment for everyone on our campus.

For additional details on the CDC health and safety guidelines, please visit CDC.gov/coronavirus

How LakePoint Sports is Providing a Safe Environment (Across Campus)

1. Adhering to required and or recommended federal, state, and local safety guidelines
2. Limiting capacity for each week of camp for the safety of all guests and in accordance with federal and state guidelines
3. Requiring all athletes and parents to sign a waiver acknowledging that they have read and will adhere to the Lakepoint Sports safety guidelines
4. Increased frequency of sanitation of high touched areas, bathrooms, etc.
5. Utilizing industry best ionized water cleaning system
6. Increased hand sanitizer locations located throughout the campus
7. Continued training of all LakePoint Sports and counselors team members and counselors on safety guidelines
8. Continued training of all LakePoint Sports team members and counselors on PPE usage
9. Wearing proper PPE by LakePoint Sports team members and counselors when interacting with campers
10. Daily screenings of LakePoint Sports team members and counselors for signs of illness before they begin work
11. Providing separate entrances and exits at the venue
12. Posted signs communicating all safety guidelines throughout campus
13. Providing safety guidelines online at LakePointSports.com/SafetyGuidelines
14. No water cooler service provided
15. All water fountains will be deactivated
16. All transactions are cashless
17. Dedicated team members will be onsite to assist with any questions or needs

*This specific list will be updated frequently as new information is available.

GENERAL

1. LakePoint Sports is reducing the capacity of all camps for the safety of all campers and guests.
2. Before participating in any event at LakePoint Sports, all parents must sign a waiver of understanding and agreement to adhere to all expectations set forth by LakePoint Sports.
3. All campers on campus should adhere to all CDC guidelines to practice proper hygiene
 - a) Wash your hands often with soap and warm water for at least 20 seconds.
 - b) If soap and warm water are not available, use an alcohol-based hand sanitizer.
 - c) Avoid touching your eyes, nose, and mouth with unwashed hands.
 - d) Avoid close contact with others (e.g. no handshakes, fist bumps or high fives).
 - e) Please use your elbow when you cough or sneeze
4. LakePoint Sports will be responsible for screening campers and counselors before each day of camp to determine if it is safe for the camper or counselor to attend camp.
 - a) LakePoint asks that all campers **stay home** if you are sick or not feeling well.
 - b) Health Screenings will include a health questionnaire for the parents and thermometer checks for the campers.
 - c) All parents, campers and counselors must adhere to the current LakePoint safety guidelines for current health status. Campers and counselors will not be allowed to participate if you have any of the following:
 - i. Fever over 100.4 degrees Fahrenheit
 - ii. Cough
 - iii. Shortness of breath
 - iv. Difficulty breathing
 - v. Have traveled to areas of known infection in the last 14 days and have not come in contact in the last 14 days with anyone showing symptoms.
 - vi. Have at least two of the following symptoms:
 - Chills, shaking with chills, muscle pain, headache, sore throat, and loss of taste or smell
5. Face masks or facial coverings are welcomed, but not required. Please respect everyone's personal choice.
 - a) The CDC recommends wearing a face mask or facial covering if you are not fully vaccinated.
6. Hand sanitizer stations will be available at each camp.
7. Utilizing contactless forms of check in and check out
 - a) Parents must have drop-off/pick-up car tag clearly visible

FUTSAL CAMP

1. Parents and spectators will be able to view the campers via LakePoint Live, powered by PlaySight or designated viewing area in the Champions Center
 - a) LakePoint Live is a live streaming and video-on-demand service
 - b) More information available at LakePointSports.com/LakePoint-Live
2. Camp will conduct ball handling drills.
3. There will be 1v1, 2v2, and 5v5 style games.
4. Futsal balls will be sanitized before and after each day of camp.
5. Coaches will remind players at the beginning of the event about the format and proper safety guidelines to maintain safe distancing
6. LakePoint Sports **will not** be providing water coolers.
 - a) Campers are responsible for bringing their own hydration.
 - i. These must be in the form of individual bottles per camper with their respective name or number.
